

## Player profile: Charlie Canes – Central Midfielder

- A central midfielder who is good with both feet, free from contract and looking for an Academy scholarship
- Recently had a successful initial trial at AFC Wimbledon and has been invited back for the next stage
- Due to his ability and physical strength Charlie is now playing men's football with Winchester City reserves
- Equally good with either foot he is technically very good with an ability to read and influence the game
- With natural good positioning sense and intelligence, Charlie is a proven goal scorer from midfield
- With his good pace, confidence, ball retention and passing skills he will always create chances

## What will Charlie bring to your club?

- A willingness to continue to work hard, develop and learn so that he will reach his first class potential
- Tremendous natural physical strength and power, Charlie is brave and strong but disciplined in the tackle
- Experience of trials with Reading and Southampton in the past and he has developed and improved since
- A confident manner and calm under pressure, Charlie is a good motivator who leads by example
- Flexibility and versatility as Charlie has played and will play in any position to support the overall team
